

PRESS RELEASE

Please be advised that effective April 13, 2023, the Court of Common Pleas, Prothonotary and Register of Wills & Orphans' Court will be transitioning to a new case management system. This will disrupt services and will affect the ability to access current case information. New filings that are submitted between April 13th and April 14th will be processed, but will not be made available through online access until the following week, due to data conversion. We kindly ask for your patience as we make this transition. Effective April 17, 2023, the new case management system will be live. We thank you in advance for your understanding and patience as we all work diligently to make this transition with minimal disruptions to the services we provide. If you have any questions or concerns, please do not hesitate to contact our offices, Register of Wills & Orphans' Court at (570) 325-2261, Prothonotary (570) 325-2481 or Court Administration (570) 325-8556.
