Home Electronic Monitoring/House Arrest Program

"Eligibility Application"

Your case *may* be appropriate for participation in Carbon County's Home Electronic Monitoring/House Arrest Program. In order for the Carbon County Court of Common Pleas and the Carbon County Adult Probation/Parole Department to determine your eligibility, the following application must be completed in its entirety and returned to the Carbon County Adult Probation/Parole Department. The department is located on the 1st floor of the 76 Susquehanna Street building located in Jim Thorpe, Pennsylvania. If you desire to mail the application, the address is Carbon County Adult Probation/Parole Department, 76 Susquehanna St. Suite 103 Jim Thorpe, Pennsylvania 18229. You may also email it back to cfrost@carboncourts.com

This intermediate punishment program is designed as an alternative to confinement and is *strictly voluntary*. This program enables offenders to remain in the community at their residence, maintain employment, maintain family networks, attend alcohol or drug therapy, perform community service work or other court-imposed sanctions.

A representative from the department will review the contents of the application and may visit your residence to determine eligibility. After careful review, a recommendation will be provided to the sentencing court for consideration.

Since the program will be intrusive to others in the residence, it is imperative that other occupants understand the mechanics of this program. In order for the program to be successful, total cooperation is required from all residents, therefore, permission from spouses, parents or other heads of households will be required before any equipment will be installed.

Finally, applying for this sentencing alternative does not automatically guarantee your placement in the program. Eligibility will be determined by this department; however, the court has the final decision when imposing sentence. If there are any questions concerning this application or program, please contact Collin Frost, 570-325-4226 extension 7700, email is cfrost@carboncourts.com

Sincerely,

Dr. Janene Holter
